## UNITED MUSLIM MARTIAL ARTIST ASSOCIATION

### MISSION STATEMENT AND GOAL

Our primary objective is to establish and maintain quality, integrity, unity and cooperation amongst all Muslim martial artists worldwide by promoting & enhancing the image of Muslims throughout the world & confirming that there is only One God and that Prophet Muhammad is the Last Messenger.

By the mercy of The Almighty Creator of All Things, we hope to accomplish our objective and goals by:

- Encouraging Islamic unity and comradeship thereby overcoming the competition and petty jealousies too prevalent in martial arts communities
- Creating ongoing dialogues between martial art instructors and practitioners to refine, update and educate each other concerning issues that plague the Muslims who teach and study Martial Arts
- Producing documentaries for worldwide distribution to propagate the true understanding of Islam and Muslim culture in all its diversity.

It is the goal of the United Muslim Martial Artist Association (UMMAA) to:

- Unite the practitioners of all known Martial Arts under an umbrella of "international brotherhood" and cooperation – recognizing the merits of all styles and schools as being equally relevant and appreciated. Any and all Muslim Martial Artist will be welcomed and mutually respected, providing they adhere to the tenets of "La ilaha il Allah Muhammadar Rasuallah. (There's no god but Allah, and Muhammad is HIS (swt) Messenger)". We also welcome any and all Grandmasters, Masters, Sensei, Shidoshis, Gurus, etc., to become members of this prestigious community.
- Overcome the petty rivalries and jealousies that pervade so many similar societies and to relegate competition to "sporting events". No politics and no denigration of any Muslims or styles will be tolerated, and the Council will aggressively defend any who are unjustly or unfairly treated within the community.
- Establish a unique "Code of Ethics" for members that will be welcomed and subscribed to by martial arts organizations, clubs and practitioners worldwide. It is required that we uphold the five pillars of faith, the tenets of Islam, loyalty to fellow martial artist and sincere devotion to the martial arts. This tradition must be diligently upheld.
- Maintain a high-ranking International Honorary-Board, whose members are drawn from prominent Muslim scholars, grandmasters, martial arts legends and fighting sports champions. U.M.M.A.A has a high-ranking executive committee, which consists of Muslim Grandmasters and Gurus.
- Create high-ranking Muslim Martial Art experts from all over the world to. To teach the religion of Islam in accordance to the Qur'aan and Sunnah of Prophet Muhammad (PBUH). In addition, U.M.M.A.A intends to maintain contacts in different international and national recognized professional associations.
- Appoint representatives in areas around the world, develop ongoing communication networks, host annual banquets, promotions, seminars, and "Good Will Tours" that serve to demonstrate our arts in a halal manner

By the mercy and blessing of ALLAH (Subhana wa ta'ala) – we seek your help in achieving our goals and dreams for The United Muslim Martial Artist Association.
